RESEARCH AFFIDAVIT

In this paper, every *opinion* from someone else has been indicated by a reference placed at the end of that information. I realize that the mere presence of a reference does not avoid plagiarism. If I have used the *exact words, phrases, clauses, or sentences* of someone else, I have enclosed that information in quotation marks. If I have *paraphrased* the opinions of someone else, I have not enclosed the paraphrase in quotation marks, but I have stated those opinions *in my own words*. I have introduced the paraphrase and put a reference at the end of it.

Factual information (common knowledge or uncontested knowledge) has not been credited with a reference unless I have used someone else's organization of these facts.

This paper is my own work. No one has helped me in the preparation or writing of this paper except for typing or final proofreading.
